PROGRAM TERMS AND CONDITIONS

This rebate program is being offered by

which will be referred to as "The Utility" throughout this document.

Limit one appliance type per dwelling unit per year. Applicant must be a current customer of The Utility, and The Utility must provide the primary fuel for which the rebate is being offered.

The Utility does not guarantee that the installation and operation of energy efficiency equipment will result in reduced usage or demand or in cost savings. The Utility makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall The Utility be liable for any incidental or consequential damages or injuries resulting from defective equipment or installation.

The rebates are offered on a first come, first served basis. The Utility reserves the right to cancel or change these programs at any time. The Utility's acceptance of this application does not guarantee payment of the incentive. Prior to any payment of rebates, The Utility reserves the right to verify sales transactions.

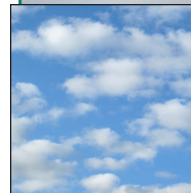

The Utility will not be responsible for any tax liability that may be Imposed on the customer as a result of the payment of rebates.

The Utility does not endorse any particular manufacturer, product, system design, claim or retailer in promoting this program.

REFRIGERATOR, FREEZER, AIR-CONDITIONING & HEAT PUMP INCENTIVE APPLICATION FORM

**Save Energy.
Save Money.**

A large, empty rectangular box with rounded corners, intended for a signature or stamp.

**READY TO SAVE MONEY AND
REDUCE ENERGY CONSUMPTION?
HERE'S HOW:**

First refer to this brochure, or contact Vinton Municipal Electric Utility to learn about program details and to learn what rebates are available.

Then select equipment based on the energy rating, terms and conditions shown in this brochure. **Only approved equipment or products with the Energy Star® label is eligible for energy efficiency rebates. Equipment or products must meet the guidelines shown on this application. A limit of 1 rebate per meter location applies to all products and equipment.** After purchasing and installing qualifying equipment, please follow these simple instructions:

1. Equipment must be installed in a home where primary fuel saved is provided by **Vinton Municipal Electric Utility.**

2. **After equipment is installed and operating,** complete this Equipment Application, including signature(s).

3. Attach a sales receipt from your dealer, including manufacturer's name, model/serial number of equipment purchased and installed. Equipment must be purchased and installed between July 1, 2017 and June 30, 2018 to qualify for the current fiscal year rebate program.

4. Attach a copy of the city permit.

Please allow 6-8 weeks for payment. Payment processing may take longer if information is missing on the application.

THANK YOU FOR PARTICIPATING IN THE VMEU ENERGY EFFICIENCY PROGRAM.

Place an X in the box beside the equipment rebate you are applying for.

Room air-conditioner less than (<) 7,999 BTU with EER 10.7 or greater	\$50
Room air-conditioner 8,000-13,999 BTU with EER 10.8 or greater	\$50
Room air-conditioner 14,000-19,999 BTU with EER 10.7 or greater	\$50
Room air-conditioner 20,000 or greater(>) BTU with EER 9.4 or greater	\$50
Recycle old window air conditioner unit reward	\$25
Central air-conditioner with SEER 14.00-14.9 and less than 65,000 BTU	\$150
Central air-conditioner with SEER 15.00 or greater	\$250
Air source heat pump SEER => 14.5 & HSPF =>8.2 and split system having a minimum HSPF 7.6	\$200
Air source heat pump SEER =>15 & HSPF = 8.8	\$400
Replace an existing heating system or builds new and utilizes an Energy Star® labeled water to heat pump with electric resistance back up. VMEU will rebate Geothermal heat pumps which are Energy Star® labeled and have a minimum EER of 14.1 (COP 3.3) for systems 180,000 Btu/h or 15 tons or less.	\$1,500
Replacement of small commercial lighting fixtures or installation of energy saving ballasts and lamps rebated on case by case basis.	20%
Desuperheater (auxiliary heat exchanger that uses hot gases from compressor to heat water)	\$100
